

# AVAC 18 Dust Containment System

## PRODUCT DESCRIPTION

The AVAC 18 delivers high-end filtration performance and capacity in a more compact unit that is perfect for single machine operations.

- Top level power in a compact unit
- Easier to transport and store than a larger machine
- Superior filtration for dust-free applications
- High capacity allows for long single machine run times

- 1 Robust 18-gallon canister.
- 2 Two 800-watt, dual stage motors which run independently of each other.
- 3 High performance filtration.  
- Uses reusable and disposable filters, H.E.P.A. filter available.
- 4 Single 2" vacuum port.
- 5 Clear polycarbonate lid makes it easy to monitor tank capacity.
- 6 50-foot detachable power cord.
- 7 Non-marking, heavy duty casters.
- 8 Convenient handle for lifting.

## RECOMMENDED PRODUCTS

Powerful and versatile, the Super 7R is one of the most preferred edgers for a reason.

Our water-based TimberGuard line of floor coatings, cleaners, and sealers offers superior protection for hardwood floors.

The Legend is the most advanced 'big machine' available. This innovative machine delivers aggressive cutting capability and smooth operation, resulting in exceptionally flat floors.
