## Product Description

The DEWALT 237-OS Orbital Sander features a modular design that allows the handle to quickly separate from the base of the machine. This makes it incredibly easy to transport to and from any home or job-site. The sander is also equipped with a self-contained dust collection system. It may also be connected to a remote vacuum system for optimum dust containment.

## Recommended Products

The DEWALT 207-FE Floor Edger is ideal for sanding and along wall lines, closets, and stair landings.

The DEWALT 216-RS Rotary Sander offers strength, durability, and ease of use for those aggressive sanding jobs.
