

EZ-8 Drum Sander

Wood Floor Sanding

- 1 Heavy duty 1.1 kW dual capacitor motor provides power for the most demanding jobs. The motor is totally enclosed, keeping it dust free and eliminating the need for motor cleaning.
- 2 Easy release latch allows the machine to break down into multiple pieces for transportation.
- 3 12.2 m gray, non-marking rubber power cord provides longer reach.
- 4 Quick release dust bag that slides on and off with a simple twist and pull.
- 5 Dust pipe allows for easy attachment of 3.8 or 5.1 cm vacuum hoses for improved dust containment.
- 6 Transparent molded plug has an internal light that serves as a power indicator.
- 7 Rugged cast aluminum construction designed for years of service.
- 8 Drum lowering lever allows for feathering.

PRODUCT DESCRIPTION

The EZ-8 drum sander combines professional contractor-type floor sanding results with highly productive, easy-to-use equipment features for the do-it-yourselfer. The EZ-8 comes apart easily for transportation to and from the work site. An enclosed motor eliminates overheating, and the drum lowering lever lets you “feather” the drum like the pros.

RECOMMENDED PRODUCTS

AVAC dust containment systems are the perfect mix of power and portability. At 45 and 98 liter capacities, both models are easy to transport and are available with optional H.E.P.A. filters.
