EZ-E Extension Edger

Wood Floor Sanding

1. Extension arm allows for reaching under toe-kicks or radiators
2. Precision-balanced sanding pad produces finer finish.
3. Powerful 1 hp motor maintains speed under the heaviest cutting conditions.
4. Rotating dust pipe swivels 210 degrees to allow access to tight spaces and easily attaches to 1-1/2 inch or 2 inch vacuum hoses for improved dust containment.
5. Quick release dust bag slides on and off with a simple twist and pull.
6. Tool-free adjustment of rear casters speeds adjustments

PRODUCT DESCRIPTION

The EZ-E Extension Edger is the perfect tool for tackling the most difficult edging challenges, including toe-kicks and radiators. Available in 8” and 13” interchangeable configurations, the EZ-E gives you the reach needed to deliver beautiful results. For the ultimate in versatility, purchase the other extension arm as a separate extension kit. The EZ-E can be run with the included quick release dust bag or can attach directly to a vacuum and comes with a soft case for storage and transport.

RECOMMENDED PRODUCTS

AVAC dust containment systems are the perfect mix of power and portability. At 26 and 12 gallon capacities, both models are easy to transport and are available with optional H.E.P.A. filters.

Our water-based TimberGuard line of floor coatings, cleaners, and sealers offers superior protection for your hardwood floors.

The Legend is the most advanced ‘big machine’ available. This innovative machine delivers aggressive cutting capability and smooth operation, resulting in exceptionally flat floors.
