

# SUPER 7R Edger

## Wood Floor Sanding

- 1 Hardened steel pinion with brass drive gear reduces vibration.
- 2 Precision-balanced sanding pad produces finer finish.
- 3 Powerful 1.3 kW motor maintains speed under the heaviest cutting conditions.
- 4 Rotating dust pipe swivels 210 degrees to allow access to tight spaces and easily attaches to 1-1/2 inch or 50 mm vacuum hoses for improved dust containment.
- 5 Quick release dust bag that slides on and off with a simple twist and pull.
- 6 LED light brightens work area with minimal shadow at the nose of the machine.
- 7 Transparent molded plug has an internal light that serves as a power indicator (not shown).

### PRODUCT DESCRIPTION

The Super 7R is the most efficient wood floor edger in the industry. Designed for both power and durability, it has been the edger of choice for the pro contractor for more than 50 years. Long-lasting LED work light offers balanced coverage with minimal shadow. Equipped with a quick release dust bag and the ability to attach directly to a vacuum, this edger continues to outpace the competition.

### RECOMMENDED PRODUCTS

AVAC dust containment systems are the perfect mix of power and portability. At 115 and 53 liter capacities, both models are easy to transport and are available with optional H.E.P.A. filters.

The Legend is the most advanced 'big machine' available. This innovative machine delivers aggressive cutting capability and smooth operation, resulting in exceptionally flat floors.
